This remarkable architect-designed home, with its clean lines and timeless charm, offers a unique living environment just a stone's throw from Luxembourg City Center, while benefiting from the immediate proximity of a school.

Built in 2021, this unique property offers approximately 260 m² of living space on a 6-are lot ideally oriented due south and offering an unobstructed urban view.

The home captivates with its spectacular proportions, abundant natural light, the care taken with high-quality materials, and its top-of-the-line finishes.

This level also features a double garage with ample storage and a wine cellar.

On the first floor are:

2 children's bedrooms, each with its own en-suite bathroom, and 2 adjoining shower rooms, as well as the elegant and stylish master suite with a large walk-in closet and an open-concept bathroom.

From there, we enter the fully equipped designer kitchen, which opens onto an impressive living area featuring 8-meter-high ceilings. The terrace, landscaped garden, and pool are accessible from this level.
